

REMARKS

The Examiner rejects Claim 1 under 35 U.S.C. Section 103(a) as being unpatentable over U.S. 6,826,716 to Mason in view of U.S. 7,127,641 to Anderson, and U.S. 7,149,226 to Wolrich, et al.

Applicant respectfully traverses the Examiner's rejections. Independent claim 1 has been amended to include the limitations of allowable dependent claim 4 and is therefore allowable.

Applicant has further amended independent claim 30 to clarify the claimed invention. Applicant submits that the amendments do not change the scope of the claim.

Applicant has added new claims 34-38. Independent claim 34 is a combination of independent claim 1 and allowable dependent claim 10 and is therefore allowable.

Based on the foregoing, Applicants believe that all pending claims are in condition for allowance and such disposition is respectfully requested. In the event that a telephone conversation would further prosecution and/or expedite allowance, the Examiner is invited to contact the undersigned.

Respectfully submitted,

SHERIDAN ROSS P.C.
